

Oxford Brookes University, UK Fact Sheet 2022-2023

Oxford hardly needs any introduction. For more than eight hundred years, writers, scholars, artists and students have been attracted to this beautiful and historic city, drawn by its lively culture and academic atmosphere. Today, Oxford Brookes University is part of that tradition. We offer courses at foundation, undergraduate and postgraduate level in many subjects, including: Law, Architecture, Business, Computing, Engineering, and the Environment.

At Oxford Brookes, your students will join a community which includes more than 20% international students from over 100 countries. Students will be able to benefit from our state-of-the-art sports facilities, modern libraries, computer centres as well as the service of our Exchanges & Study Abroad Team who will provide comprehensive support.
