Institute of Philosophy

CAMPUS LEUVEN

On <https://onderwijsaanbod.kuleuven.be/opleidingen/n/> you can find all the courses sorted by training (education) and their corresponding subjects.

The student should read per subject very good what is written under the tab '**Beginnenden**' (or '**Previous Knowledge**').

Students are not allowed to choose subjects with a level that is too high. For instance bachelor students are not allowed to follow courses for master students. They may choose subjects of which the level is lower.

For more information please contact the Erasmus / exchange programme co-ordinator **Ms. Evelyn Dehertoghe**.
