The Lasallian International Students Program for Involvement in Responsive Exchange (**InSPIRE**) is a series of supplementary activities designed primarily to address the adjustment needs of international students. It allows international students to be socially and culturally aware of their learning environment. The activities are organized by the International Center (IC) in partnership with IC Buddies (student volunteer group) and various internal and external partners of the IC. Activities include welcome and orientation activity, basic Filipino language tutorial, cultural tour and immersion, talks or fora, and culminating and farewell activities.

## LEARNING ENGLISH

### Center for International English for Speakers of Other Languages (CIESOL)

English is the medium of instruction at De La Salle University. Aside from academic programs offered by the Department of English and Applied Linguistics (DEAL), there are non-academic English courses that can be taken by international students, particularly those who need to meet the English language proficiency requirement for exchange study at DLSU. However, inbound students who are interested in taking short CIESOL courses will have to pay their tuition and other fees.

Established in 2019, the Center for International English for Speakers of Other Languages (CIESOL) replaced the Center for Language and Lifelong Learning (CeLL). CIESOL provides language courses to individuals or groups, who are referred by DLSU units and/or covered by existing MOAs and MOUs with DLSU-CIESOL and its institutional partners. CIESOL offers a wide range of non-academic ESOL courses at the beginner, intermediate, and advanced levels with a focus on both macro skills (listening, speaking, reading, and writing) and micro-skills (grammar, vocabulary, and pronunciation) for academic, personal, or professional development. CIESOL courses run for three (3) consecutive weeks with 2-hour sessions per day for five days a week for a total of 30 hours per month.

Detailed descriptions of General ESOL, ESP, and Advanced ESOL courses can be found on the CIESOL website (<https://www.dlsu.edu.ph/colleges/bagced/ciesol/>)
