General Information about the University	Thammasat University, the second oldest university in Thailand, was established in 1934. There are 27 faculties which offer more than 290 academic programs (117 undergraduate, while the others are graduate level). Presently, there are around 38,657 students, 80% of whom are undergraduate students.
University Features	Thammasat University (TU) is well known for its impact on Thai history, especially the change in politics in 1932. TU has continued to play an important role in Thai politics and history and embraces the philosophy of being a “university for the people”. Five former prime ministers have been Thammasat graduates. Over time, Thammasat University has grown academically through its world-class learning environment, quality graduates, and research. It is one of the top research universities in Thailand. The university continues to expand its educational services, research and international network of partnerships to serve as an education hub for Southeast Asia.

<p>Short description of the city</p>	<p>Bangkok is one of the Top10 Best Cities to visit in the world. Tha Prachan is located in a historical area of Bangkok, right next to the national museum and a 5-minute walk to the Grand Palace. Presently, there are 4 campuses (Tha Prachan / Rangsit / Pattaya / Lampang). Rangsit Center is located in Pathumthani Province. It's the largest campus in the region. All undergraduate programs were relocated to the Rangsit Center in 2006 except international programs. It is the home of science, technology and medical programs.</p>
